ADS3000N

Network Document Scanner

Network Scanning...

Information on the Move

The Brother ADS3000N desktop document scanner is simple to set up, robust for continued office use and reliable for uninterrupted professional scanning of vital documents.

Offering true network capability, business critical information can be sent directly to a desired Network folder location, improving workflow efficiency and increasing productivity.

ADS3000N Features

Multifeed Detection uses sound waves to identify potential misfeeds. The paper pathway is automatically suspended and the user alerted if an irregular signal is detected, reducing the risk of damaged documents and lost data.

The Advanced Reverse Roller system manages incoming bulk paper jobs so only one sheet is processed at a time, for outstanding reliability when scanning a variety of document types and weights.

- Incorporating SuperSpeed USB 3.0 for rapid and efficient processing.
- The ADS3000N supports TWAIN and ISIS drivers for software integration and image processing.

Wired Network

ADS3000N document scanners offer true network scanning without having to log on to a central PC or install software at multiple location points. Share information across teams and departments with minimum user involvement.

Scan Features

To support cross function scanning, the ADS3000N scans to email, File, Image, Network, OCR software, SharePoint, USB Host and FTP/SFTP.

High Productivity

Brother's ADS3000N is built for professional business usage with scan speeds of up to 100ipm (50ppm) and a large 50 sheet capacity document feeder capable of scanning 27 to 413gsm² paper weights.

Fast Input, Reliable Output

The ADS3000N uses a wider output tray to neatly capture paper fed through the ADF. Trays are angled to encounter less paper resistance so paper can glide easily and stack smoothly, reducing paper folds.

Kofax VRS® Compatible

An industry leader in image processing software that dynamically evaluates each scanned page and automatically applies the correct image quality settings.

Using programmable buttons, scanned documents can be sent instantly to pre-selected destinations for quick and simple scanning, saving time and staff training.

ADS 2.0 scanners efficiently process a wide range of mixed document materials, paper weights, colours, sizes and also plastic cards.

The scan to USB host feature allows the connection of an external storage flash drive up to 64 GB so users can instantly make their scanned documents portable.

Specifications:

Scanner Type	Dual CIS
Standard Interfaces	Gigabit Ethernet 10/100/1000Base-T, SuperSpeed USB 3.0
Network Connectivity	Yes (wired)
Paper Input Capacity	50-sheet capacity ADF
Scan Speed*	50 ppm (color and mono)
Duplex Scan Speed*	100 ipm (color and mono)
Document Size (maximum)	215.9mm (W) x 335.6mm(L)^
Document Size (minimum)	51mm (W) x 51mm (L)
Paper Weights (thickness)	27-413 gsm
Plastic Card Weights (thickness)	Embossed up to 1.4mm
Scan Resolution (maximum)	Optical: 600 x 600 dpi; Interpolated: 1200 x 1200 dpi
Color Bit Depth	30 bit int./ 24 bit ext.
Grayscale Bit Depth	256 levels
Scan To Capability	PC (file, image, e-mail, and OCR), print, FTP/SFTP, network, Microsoft SharePoint, USB flash drive [‡] , and mobile devices via Brother iPrint&Scan ^v
Other Features ^{^^}	Auto Scan size, Auto Deskew, Skip Blank Page, Auto Colour Detection, Auto Image Rotation, Background Processing, Binarization, Blurred Character Correction, Boldface formatting, Colour Dropout, Colour tone adjustment, Edge Fill, Edge Emphasis, Margin Setting, Noise Reduction, Multifeed Detection, Punch Hole Removal, Quiet Mode, Carrier Sheet Mode, One Sheet Scan, Plastic Card Mode, Remove Ruled Lines, Detect End of Page
Included Software	ABBYY® FineReader Professional 11, ABBYY® PDF Transformer+ (Windows®), Nuance™ PaperPort 14 SE (Windows®), and Brother Control Center
Operating Systems Compatibility	PC: Windows® 10, Windows® 8.1, Windows® 8, Windows® 7, Windows Vista®, Windows® XP (32-bit only) Mac®: Mac® OS X v10.8.x and up / Linux®
Mobile Device Compatibility	Yes (Brother iPrint&Scan, Brother Scan Viewer for IOS/OSX, Image Viewer for Android) ^v
USB Direct Interface	Yes
Drivers	TWAIN 2.2, WIA, ISIS, SANE, ICA
Compatibility Certification	Kofax VRS® [±]
Daily Duty Cycle†	Up to 5,000 scans/day
Power Consumption	Approx. 30W (Scanning); Approx. 4.9W (Ready Mode); Approx. 2.9W (Sleep Mode)
Dimensions (W x D x H) / Weight	306 x 258 x 250 mm / 4.45 kg
Warranty	1-year warranty

^v Requires connection to a wireless network. See www.connectprintshare.com for details, availability, and mobile device compatibility.

[±] Windows® only. Compatible with Kofax VRS® versions 5.1 and up. Additional purchase required.

^ð Works with Secure Function Lock and/or other third party solutions. Supports the following NFC formats: MIFARE Standard (Classic), MIFARE UltraLight, MIFARE UltraLight C, MIFARE FeliCa, and FeliCa Lite.

[†] Maximum number of scanned pages per day can be used to compare designed durability between like Brother products. For maximum product life, it is best to choose a scanner with a daily duty cycle that exceeds your requirements.

* Color and monochrome scan speed with all advanced features turned off, LTR at 300dpi. See www.brother.com for details.

^ Single sheet single-sided, 14-29lb. bond.

‡ USB memory drive not included.

^^ All Available with supplied software.
